Bidder understands that by submitting a bid with an authorized signature, it shall constitute an offer to the institution. Bids must be typewritten or in ink; otherwise they may not be considered. Purchase orders will be issued to the firm name appearing on the W9. Facsimile responses will not be considered.
- c. SCS is not responsible for any costs incurred by any vendor pursuant to the RFP. The vendor shall be responsible for all costs incurred in connection with the preparation and submission of its proposal.

- e. Bids are to be received in the location designated on the bid no later than the specified date and time. Late bids will NOT be opened or considered.
- f. No erasures permitted. Errors may be crossed out and corrections printed in ink or typewritten adjacent to error and must be initialed in ink by person signing bid.
- g. **Specifications:** Reference to available specifications shall be sufficient to make the terms of the specifications binding on the bidder. The use of the name of a manufacturer, or any special brand or make in describing an item does not restrict the bidder to that manufacturer or specific article, unless specifically stated. Comparable products of other manufacturers will be considered if proof of compatibility is contained in the bid. Bidders are required to notify SCS RFQ Coordinator whenever specifications/procedures are not perceived to be fair and open. The articles on which the bids are submitted must be equal or superior to that specified. **Informative and Descriptive Literature:** The bidder must show brand or trade names of the articles bid, when applicable. It shall be the responsibility of the vendor, including vendors whose product is referenced, to furnish with the bid such specifications, catalog pages, brochures or other data as will provide an adequate basis for determining the quality and functional capabilities of the product offered. Failure to provide this data may be considered valid justification for rejection of bid.
- h. **Samples:** Samples of items when called for, must be furnished free of expense, and if not destroyed will, upon vendor's request within ten (10) days of bid opening, be returned at the bidder's expense. Each sample must be labeled with the bidder's name, manufacturer's brand name and number, bid number and item reference.

If no delivery time is stated in the bid, bidder agrees that delivery is to be made within two weeks (10 business days) of order.
- j. Transportation and delivery charges should be included in the price and be fully prepaid by the vendor to the destination specified in the bid. Bid prices shall include delivery of all items F.O.B. destination.
- k. New materials and supplies must be delivered unless otherwise specifically stated in the bid.
- l. Alternate/multiple bids will not be considered unless specifically called for in the bid.
- m. Only bids submitted on bid forms furnished by SCS will be considered.

- o. **Failure to Bid/Error in Bid.** In case of error in the extension of prices in the bid, the unit price will govern. Late bids will NOT be opened or considered. Bidders are cautioned to verify their bids before submission, as amendments received after the bid deadline will not be considered. No bid shall be altered, amended or withdrawn after opening. After bid opening, a bidder may withdraw a bid only when there is obvious clerical error such as a misplaced decimal point, or when enforcement of the bid would impose unconscionable hardship due to an error in the bid resulting in a quotation substantially below the other bids received. Bid withdrawals will be considered by SCS only upon written request of the bidder.

2. **OPEN RECORDS.** In order to comply with the provisions of the Tennessee Open Records Act, all bids will be publicly opened and are subject to public inspection after the award upon written request. Bidders may be present at bid opening. Summary information will be posted the SCS website, www.sumnerschools.org, under the Invitation to Bid link.
3. **ACCEPTANCE AND AWARD.** SCS reserves the right to reject any and all bids and to waive any informality in bids and, unless otherwise specified by the bidder to accept any item in the bid. Action to reject all bids shall be taken for unreasonably high prices, errors in the bid documents, cessation of need, unavailability of funds, or any other reason approved by SCS.
 - a. Contracts and purchases will be made with the lowest, responsive, responsible, qualified bidder. The quality of the articles to be supplied, their conformity with the specifications, their suitability to the requirements of SCS, cash discount offered and the delivery terms will be taken into consideration.
 - b. Any deviation from these stated terms, specifications and conditions must be coordinated with and approved in writing by the Purchasing Supervisor.
 - c. Prices quoted on the response (if any) are to be considered firm and binding until the said equipment, supplies or services are in the possession of SCS.
 - d. SCS reserves the right to order more or less than the quantity listed in the bid.
 - e. If a bidder fails to state a time within which a bid must be accepted, it is understood and agreed that the Institution shall have ninety (90) days to accept.
