### 1.3. Background

The Sumner County Board of Education, hereinafter “SCS”, is located north of Nashville, stretching from Davidson County’s northern border to the Kentucky state line. Sumner County covers 530 square miles, including all or part of eight cities. SCS consists of forty-five (45) schools and maintains a student population of 28,000+ students and 4,000 employees. SCS is consistently ranked as one of the top academic school districts in the state, and our students and staff are recognized for their classroom and extracurricular achievements at both the state and national levels.

## 2. Requirements

### 2.1. Contract Term

SCS intends to enter into a contract with an expected effective period beginning July 1, 2018 and ending on June 30, 2021. SCS reserves the right to extend the contract for an additional two, one-year periods subject to approval by SCS. SCS reserves the right to cancel services at the end of any school year (June 30<sup>th</sup>) if sufficient funding for its continuance is not appropriated.

If the vendor fails to perform its obligations under this contract in a timely or proper manner, or if the vendor violates any term of this contract, SCS shall have the right to immediately terminate the contract and withhold payments in excess of fair compensation for completed services; provided, however, SCS shall have the option to give the vendor written notice and a specified period of time in which to cure. Notwithstanding the above, the vendor shall not be relieved of liability to SCS for damages sustained by virtue of any breach of this contract by the vendor.

### 2.2. Technical Proposal

Proposers will submit a separate Technical Proposal for each Platform. Proposers that do not offer both Platforms will submit a response for the Platform available to the Proposer.

The RFP details specific requirements for making a Technical Proposal in response to the RFP. This includes mandatory and general requirements as well as technical queries requiring a written response.

**NOTICE: NO PRICING INFORMATION SHALL BE INCLUDED IN THE TECHNICAL PROPOSAL. INCLUSION OF COST PROPOSAL AMOUNTS, OPTIONAL OR REQUIRED, IN THE TECHNICAL PROPOSAL WILL MAKE THE PROPOSAL NON-RESPONSIVE, AND SCS SHALL REJECT IT. THIS INCLUDES REFERENCES TO ITEMS THAT ARE INCLUDED "FREE" OR "AT NO ADDITIONAL COST", ETC.**

Each Proposer must use the Technical Proposal and Evaluation Guide to organize, reference, and draft the Technical Proposal. Each Proposer should duplicate the Technical Proposal and Evaluation Guide and use it as a table of contents covering the Technical Proposal.

Each Proposal should be concisely prepared, with emphasis on completeness and clarity of content. A proposal, as well as any reference material presented, must be written in English and must be written on standard 8 ½" x 11" paper (although foldouts containing charts, spreadsheets and oversize exhibits are permissible). All proposal pages must be numbered.

All information included in a Technical Proposal should be relevant to a specific requirement detailed in the Technical Proposal and Evaluation Guide. All information must be incorporated into a response to a specific requirement and clearly referenced. Any information not meeting these criteria will be deemed extraneous and will in no way contribute to the evaluation process.

SCS may determine a proposal to be non-responsive and reject it if the Proposer fails to organize and properly reference sections of the Technical Proposal as required by this RFP and the Technical Proposal and Evaluation Guide.

SCS may determine a proposal to be non-responsive and reject it if the Technical Proposal document fails to appropriately address/meet all the requirements detailed in the Technical Proposal and Evaluation Guide.

### 2.3. Cost Proposal

The Cost Proposal must be recorded on an exact duplicate of the attached form. The proposed cost shall incorporate all costs for services under the contract for the total contract period.

If a Proposer fails to submit a Cost Proposal as required, SCS shall determine the proposal to be non-responsive and reject it. Proposers must submit a separate Cost Proposal for each Platform. Proposers that do not offer both Platforms will submit a response for the Platform available to the Proposer.

**COST PROPOSAL**

The SCS Purchasing Supervisor will first examine the proposals to reject those that are clearly non-responsive to the stated requirements. Proposers who are determined to be non-responsive and/or non-responsible will be notified of this determination.

A Proposal Evaluation Team, appropriate to the scope and nature of the RFP, will evaluate each Technical Proposal that appears responsive to the RFP. Each Proposal Evaluation Team member will independently evaluate each proposal against the evaluation criteria in this RFP, rather than against other proposals, and will score each in accordance with Technical Proposal and Evaluation Guide.

After Technical Proposal evaluations are complete, the Purchasing Supervisor will open the Cost Proposals submitted by the Proposers of the top three scored proposals. The points shall be awarded as follows:

Lowest Cost Proposal	50 points
Second Lowest Cost Proposal	40 points
Third Lowest Cost Proposal	30 points

#### 5.8. Protests

SUMNER COUNTY BOARD OF EDUCATION (SCS)**

**1. PREPARATION AND SUBMISSION OF BID.**

- a. Failure to examine any drawings, specifications, or instructions will be at the bidder's risk.
- b. **BID SUBMITTAL / SIGNATURE:** Bid shall give the full name and business address of the bidder. If the bidder is a corporation, the name shall be stated as it is in the corporate charter. Bids must be signed in ink by the bidder's authorized agent. Unsigned bids will be rejected. Bids are to be sealed and the outside of the envelope is to reference the bid number. The person signing the bid must show his title, and if requested by the institution, must furnish satisfactory proof of his or her authority to bind his or her company in contract. Bidder understands that by submitting a bid with an authorized signature, it shall constitute an offer to the institution. Bids must be typewritten or in ink; otherwise they may not be considered. Purchase orders will be issued to the firm name appearing on the W9. Facsimile responses will not be considered.
- c. SCS is not responsible for any costs incurred by any vendor pursuant to the RFP. The vendor shall be responsible for all costs incurred in connection with the preparation and submission of its proposal.
- d. All bids that exceed \$25,000 must have the Company Name, License Number, Expiration Date thereof and License Classification of Contractor listed on the outside of the sealed envelope. As required by State of Tennessee Code Annotated 62-6-119.
- e. Bids are to be received in the location designated on the bid no later than the specified date and time. Late bids will NOT be opened or considered.
- f. No erasures permitted. Errors may be crossed out and corrections printed in ink or typewritten adjacent to error and must be initialed in ink by person signing bid.
- g. **Specifications:** Reference to available specifications shall be sufficient to make the terms of the specifications binding on the bidder. The use of the name of a manufacturer, or any special brand or make in describing an item does not restrict the bidder to that manufacturer or specific article, unless specifically stated. Comparable products of other manufacturers will be considered if proof of compatibility is contained in the bid. Bidders are required to notify SCS RFQ Coordinator whenever specifications/procedures are not perceived to be fair and open. The articles on which the bids are submitted must be equal or superior to that specified. **Informative and Descriptive Literature:** The bidder must show brand or trade names of the articles bid, when applicable. It shall be the responsibility of the vendor, including vendors whose product is referenced, to furnish with the bid such specifications, catalog pages, brochures or other data as will provide an adequate basis for determining the quality and functional capabilities of the product offered. Failure to provide this data may be considered valid justification for rejection of bid.
- h. **Samples:** Samples of items when called for, must be furnished free of expense, and if not destroyed will, upon vendor's request within ten (10) days of bid opening, be returned at the bidder's expense. Each sample must be labeled with the bidder's name, manufacturer's brand name and number, bid number and item reference.
- i. **Time of Performance:** The number of calendar days in which delivery is to be made after receipt of order shall be stated in the bid and may be a factor in making an award, price notwithstanding. If no delivery time is stated in the bid, bidder agrees that delivery is to be made within two weeks (10 business days) of order.
- j. Transportation and delivery charges should be included in the price and be fully prepaid by the vendor to the destination specified in the bid. Bid prices shall include delivery of all items F.O.B. destination.
- k. New materials and supplies must be delivered unless otherwise specifically stated in the bid.
- l. Alternate/multiple bids will not be considered unless specifically called for in the bid.
- m. Only bids submitted on bid forms furnished by SCS will be considered.
- n. By signing this bid where indicated, the bidder agrees to strictly abide by all local, state and federal statutes and regulations. The bidder further certifies that this bid is made without collusion or fraud.
- o. **Failure to Bid/Error in Bid.** In case of error in the extension of prices in the bid, the unit price will govern. Late bids will NOT be opened or considered. Bidders are cautioned to verify their bids before submission, as amendments received after the bid deadline will not be considered. No bid shall be altered, amended or withdrawn after opening. After bid opening, a bidder may withdraw a bid only when there is obvious clerical error such as a misplaced decimal point, or when enforcement of the bid would impose unconscionable hardship due to an error in the bid resulting in a quotation substantially below the other bids received. Bid withdrawals will be considered by SCS only upon written request of the bidder.

2. **OPEN RECORDS.** In order to comply with the provisions of the Tennessee Open Records Act, all bids will be publicly opened and are subject to public inspection after the award upon written request. Bidders may be present at bid opening. Summary information will be posted the SCS website, [www.sumnerschools.org](http://www.sumnerschools.org), under the Invitation to Bid link.
3. **ACCEPTANCE AND AWARD.** SCS reserves the right to reject any and all bids and to waive any informality in bids and, unless otherwise specified by the bidder to accept any item in the bid. Action to reject all bids shall be taken for unreasonably high prices, errors in the bid documents, cessation of need, unavailability of funds, or any other reason approved by SCS.
  - a. Contracts and purchases will be made with the lowest, responsive, responsible, qualified bidder. The quality of the articles to be supplied, their conformity with the specifications, their suitability to the requirements of SCS, cash discount offered and the delivery terms will be taken into consideration.
  - b. Any deviation from these stated terms, specifications and conditions must be coordinated with and approved in writing by the Purchasing Supervisor.
  - c. Prices quoted on the response (if any) are to be considered firm and binding until the said equipment, supplies or services are in the possession of SCS.
  - d. SCS reserves the right to order more or less than the quantity listed in the bid.
  - e. If a bidder fails to state a time within which a bid must be accepted, it is understood and agreed that the Institution shall have ninety (90) days to accept.
  - f. In accordance with SCS policy, no purchase or contract is authorized or valid until the issuance of a SCS Purchase Order which shall be mailed or otherwise furnished to the successful bidder. No SCS employee is authorized to purchase equipment, supplies or services prior to the issuance of such a Purchase order.
  - g. The contract may not be assigned without written SCS consent.
  - h. If the appropriate space is marked on the bid, other Institutions (such as State, Local and/or Public Agencies) may purchase off the contract during the same period as SCS.
  - i. The awarded bidder will be required to post a performance and payment bond in the amount of 25% of the contract price if it exceeds \$100,000 as stated by State of Tennessee Code Annotated 12-4-201.
  - j. If the project cost is in excess of \$25,000 a performance bond must be secured by the requesting party in an amount equal to the market improvement value.
4. **PAYMENTS.** Payment terms must be specified in the bid response, including any discounts for early payment. Partial payments will not be approved unless justification for such payment can be shown. Terms will be NET 30 days. Payment will not be made until the conditions and specifications of the RFP are inspected and approved as conforming by persons appointed by SCS.
5. **DEFAULT OF SELECTED VENDOR.** In case of vendor default, SCS may procure the articles or services from other sources and hold the defaulting vendor responsible for any resulting cost. If a successful bidder violates any terms of their bid, the contract, school board policy or any law they may be disqualified from bidding for a period of two (2) years for minor violations or longer for major violations. Bids from disqualified bidders will not be accepted during the period of disqualification.
6. **INSPECTION OF PURCHASES.** Articles received which are not equivalent will not be accepted and will be picked up by the vendor or returned to vendor, shipping charges collect. SCS shall have a reasonable period in which to inspect and accept or reject materials without liability. If necessity requires SCS to use nonconforming materials, an appropriate reduction in payment may be made.
7. **TAXES.** SCS is tax exempt; do not include taxes in quotation. Vendors making improvements or additions to, or performing repair work on real property for SCS are liable for any applicable sales or use tax on tangible personal property used in connection with the contract or furnished to vendors by SCS for use under the contract.
8. **NONDISCRIMINATION.** SCS is an equal opportunity employer. SCS and bidder agree to comply with Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, Executive Order 11,246, the Americans with Disabilities Act of 1990 and the related regulations to each. Each party assures that it will not discriminate against any individual or business because of race, religion, creed, color, sex, age, disability, veteran status or national origin. In the event that any claims should arise with regards to violations of any such local, state or federal law, statues, rule or regulations, the vendor will indemnify and hold SCS harmless for any damages, including court costs or attorney fees, which might be incurred.

- 9. PROHIBITIONS/NO VENDOR CONTRACT FORM/TENNESSEE LAW.** Acceptance of gifts from vendors is prohibited. TCA §12-3-106. - 10. PROHIBITION ON HIRING ILLEGAL IMMIGRANTS.** Tennessee Public Chapter No. 878 of 2006, TCA 12-4-124, requires that Contractor attest in writing that Contractor will not knowingly utilize the services of illegal immigrants in the performance of this Contract and will not knowingly utilize the services of any subcontractor, if permitted under this Contract, who will utilize the services of illegal immigrants in the performance of this Contract. The attestation shall be made on the form, Attestation re Personnel Used in Contract Performance ("the Attestation"), which is attached and hereby incorporated by this reference.
- 11. SALES AND USE TAX.** Before the Purchase Order/Contract resulting from this RFQ is signed, the apparent successful bidder must be registered with the Department of Revenue for the collection of Tennessee sales and use tax.
- 12. ASSIGNMENT.** Neither the vendor nor SCS may assign this agreement without prior written consent of the other party.
