2019-2020 Bid Rejection Reasons

Food Bid - Food Bid (minus the drink mixes that was awarded to E-Z dispensers) was awarded completely to IWC as the total price was less than Sysco.

Glass Cleaner - IWC did not meet the bid requirements, therefore Lebanon Chemical won.

Nitrile Gloves - This item is specifically for CID, Administrator went through samples and chose Bob Barker, Victory Supply, and Buckeye as being evenly the best, we then chose the most cost effective which is Buckeye.

Vinyl/latex gloves - After going through sample, victory supply was chosen to have a better quality product with an acceptable price.

Mean Green Mildew Destroyer - went with the product we knew from Lebanon chemical, Buckeye bid an unknown product.

Mop Heads - Both Buckeye and Lebanon Chemical bid the same price, but when sample was ordered. Lebanon chemical won the bid with a larger/thicker mop head.

Step-in Molded Shoe - ICS is a sandal not a shoe, Bob barker won bid.

Trash Liner (Large) - Low bid did not meet bids specs. We were also looking for a better quality for a good price. We feel that Central-Poly Corp met this with their trash. We feel a heavier duty trash liner would be more cost effective than triple bagging.

Food Handling Gloves - Lebanon chemical had the best quality glove.

Sporks - IWC bid a standard plastic Spork. We need something more heavy duty and not as easily tampered with. Victory supply has the bid.

2019-2020 Bid Rejection Reasons

Food Bid – Food Bid (minus the drink mixes that was awarded to L-1 dispenser) was awarded completely to WWC as the total price was less than anyone else.

Glass Cleaner – WWC did not meet the bid requirement as the product was not chemical.

Wipe Glove – This item is specified by the WWC as a specific brand and color and the bid was rejected as the bid was not the same brand and color as specified. The bid was rejected as the bid was not the same brand and color as specified.

Vinyl Floor Glove – After going through sample, the bid was rejected as the bid was not the same brand and color as specified. The bid was rejected as the bid was not the same brand and color as specified.

Mean Green Wipeaway – Went with the product we knew from Lebanon chemical. Bucky had a previous product.

Mean Leads – Both Bucky and Lebanon Chemical bid the same price, but when sample was tested, Lebanon chemical won the bid with a latex-free product.

Step-in Molding Spoke – IC2 is a standard size, but the bid was rejected as the bid was not the same brand and color as specified.

Trash Bag (Large) – Low bid did not meet bid requirements as the bag was not the same brand and color as specified. The bid was rejected as the bid was not the same brand and color as specified.

Food Handling Glove – Lebanon chemical bid the best price, but the bid was rejected as the bid was not the same brand and color as specified.

Spoke – WWC bid a standard plastic spoke, we need one that is made of poly duty and not as heavy as the bid. WWC supply has the bid.
